ABOUT ME

I have been living and working in Hong Kong SAR and across Asia for over 18 years. I speak four languages — Russian, English, Mandarin, and Cantonese — and I am licensed to teach all four. I represent businesses from Russia, the CIS, Hong Kong SAR, Macau SAR, and Mainland China at international exhibitions, trade fairs, negotiations, and business visits. I am also a licensed tour guide for Hong Kong SAR, conducting private and group tours in any of my four languages, including bespoke VIP tours by private vehicle. I take pride in building lasting partnerships with my clients and bring full commitment to every project I take on.
